RECOVERY SHOES

with Barefoot Benefits

RECOVERY SHOES

with Barefoot Benefits

Sole **InfinityComfort**

1

AbsorbEase - **Special cushioning zones** in the toe and heel absorb shocks and adapt to any surface, ensuring maximum comfort with every step.

2

StableMax - The sole base is made from **high-quality EVA foam and rubber**, providing excellent thermal insulation properties.

3

FlexiGo+ - The bottom layer of the sole ensures **durability and flexibility**, having passed abrasion resistance tests. Three cut-out sections further enhance flexibility and adaptability while walking.
